INTRODUCTION

This Operations Manual of Bayambang Water District (BAYWAD) contains general information about the agency, its functions, mandates, operating procedures and organizations.

This Manual is created to provide its reader's knowledge about Water District's responsibilities and structure.

The Manual is divided into several parts as follows:

General Information. This section contains company profile, such as brief history of BAYWAD, mandates and functions, its mission and vision, core values, pumping stations and areas of operation.

Organization and Responsibilities. In this part of the manual, the organizational structure is shown as diagram as of year 2016, as well as the duties and responsibilities of every division.

Operational Control and Supervision. The powers of authority are described in this part as well as the supervisory and operational controls.

Operating Procedures. Contains the step by step procedures and work instructions of BAYWAD. Activity flow charts are used to illustrate the different processes involved in daily operations.

RFQ – Request for Quotation

SALN – Statement of Assets and Liabilities and Net worth

SOA – Statement of Account

SD's – Supporting Documents

GENERAL INFORMATION

PROFILE

The creation of the water system of Bayambang which was later known as Bayambang Water Works and Sewerage System was conceptualized in 1952, but did not materialized. The idea of developing the water system was revived in 1957. The development of the system from local government administration to another was transferred to the newly created BAYAMBANG WATER DISTRICT through a resolution authored by Municipal Councilor Calixto B. Camacho on March 8, 1980. In 1992, all water districts were declared as Government Owned and Controlled Corporations by the Supreme Court in the landmark case of Davao City Water District vs. Civil Service Commission.

At present, the district has 9,410 active service connections with forty nine (54) hardworking employees under the stewardship of Mr. Francis J. Fernandez as General Manager, whose overall management and supervision keeps the district's continuous growth. With the assistance and support of the five Board of Directors functioning as policy makers. With the cooperation of the staff, the BAYAMBANG WATER DISTRICT diligently and efficiently performs its mission to be of service to the people of Bayambang.

MANDATES AND FUNCTIONS

The operations of the water district started on October 5, 1979 pursuant to the provisions of the Presidential Decree No. 198 as amended by PD Nos. 768 and 1479, otherwise known as the Provincial Utilities Act of 1973. The BAYWAD is responsible for (a) acquiring, installing, improving, maintaining and operating water supply and distribution systems for domestic, industrial, municipal and agricultural uses for residents and lands within the boundaries of such district, (b) providing, maintaining, and operating wastewater collection, treatment and disposal facilities, and (c) conducting such other functions and operations and incidental to water resource development, utilization and disposal within such district.

MISSION:

To provide a continuing adequate and potable water affordable enough to ensure the economic viability of servicing our valued concessionaires.

VISION:

To envision to be a model Water District in Central Pangasinan, serving as a catalyst for balanced economic growth, equipped with digital age service facilities, managed and operated by respectable, dignified and economically well employees and officers who are professionally capable, technically able in management and service skills to guarantee a continuous sufficient, affordable, potable quality water for all Bayambangueños.

CORE VALUES:

We, the officials and employees of Bayambang Water District, do hereby reaffirm our commitment to:

TAPAT we will serve the public with genuine respect and truthfulness.

MAGALANG we will serve the public with genuine courtesy and politeness in every way possible.

MAAASAHAN we will serve and perform with highest level of competence that is worthy of the public's trust.

SERVICE PLEDGE:

We, the officials and employees of the Bayambang Water District, do hereby reaffirm our commitment to:

PROVIDE you safe, potable, adequate, affordable and high quality water for twenty-four hours a day, seven days a week;

LISTEN to your complaints and requests relative to water service professionally and courteously;

RESPOND to you promptly and take necessary actions to improve our services;

SERVE you as soon as you enter the premises of the District from;

*Mondays – Fridays ----- 8:00 am to 5:00 pm

Saturdays ----- 8:00 am to 12:00 nn

ASSURE you that you will be served by our authorized hardworking and dedicated personnel with utmost integrity.
